Sir:

This communication accompanies the transmittal letter for the U.S. national phase filing of International Application No. PCT/GB2004/001437 (filed April 2, 2004) under 35 U.S.C. § 371. It is believed that a copy of the International Application as filed and a copy of amendments to the claims of the International Application under PCT Article 19 have been communicated by the International Bureau. However, since no documentation has been found in Applicants' file confirming communication by the International Bureau and out of an abundance of caution, Boxes 5.a. and 7.a. in the transmittal letter have been checked and a copy of the International Application and the Article 19 amendments are being submitted herewith.
